Subject: Next Steps for the Bay Delta Conservation Plan (BDCP)

Dear Secretary Salazar:

Please find attached a letter from The Bay Institute, Defenders of Wildlife, EDF, NRDC, American Rivers, and The Nature Conservancy regarding our recommendations for moving forward with the BDCP process. Please contact us with any questions you may have about the BDCP. We look forward to working with you in the coming year to craft a credible and durable plan for managing water in California's vital Bay-Delta Estuary.

Thank you for considering our comments.

Sincerely,
Jon Rosenfield, Ph.D.
Conservation Biologist
